 @thisisnix @OTalk @OT_KateT @CeeCeeOT @RosFrench1 I recommend the ACT Immersion and ACT in practice courses. @StevenCHayes also says that target audience for these courses includes occupational therapists. ACT as a framework fits really nicely with OT and we can add in our lens on the environment #OTalk

 @thisisnix Well, not the expected #otalk anyway. I always assumed if a session was arranged and the host didn't turn up it would be me.
