@OTalk_ @HeatherBaglee I normally approach this from the other side of the fence, ie positive masculinity and OT, but I'm interested to see where this discussion goes and intend to be a passive attendant to this #OTalk

@HeatherBaglee @OTalk_ I am an intersexual feminist, have been interested in women's movements since learning about the suffragettes at school. I have been an occupational therapist for 15 years now, and often see the need for women's rights to be addressed. #otalk

Hello my name is Jim @OT_Jim

@OT_Jim @OTalk_ @HeatherBaglee Is there any evidence of any feminist philosophy in the delivery of occupational therapy? Isn't the issue that it is curiously avoided? Have I missed something? #OTalk @HeatherBaglee
