#OTalk @OTalk

Hello **#OTalk @Helen_OTUK** on the account this evening, do say hi even if you plan on lurking. This week **@BillWongOT** will be hosting a Media Club chat. had a chance to watch the 6 minutes preparation video? If not then quick quick.... <https://t.co/degerBGa6U> <https://t.co/G8nr5zcZ6P>

Bill Wong, OTD, OTR/L @BillWongOT

Hello everyone. It's been a while since I host an [#OTalk](#). <https://t.co/Q25qv7YeZY>

#OTalk @OTalk

@BillWongOT Great to have you back hosting with us! [#OTalk](#)

Bill Wong, OTD, OTR/L @BillWongOT

And today's media club is with a twist- not often you get to interact with the originator of the media content. So, aside from the set questions on the blog, feel questions or comments during today's discussions. [#OTalk](#)

Bill Wong, OTD, OTR/L @BillWongOT

@OTalk well- my teaching schedule in the US got to align first. So, time will tell when I can host again. [#otalk](#)

#OTalk @OTalk

Thank you Bill, I am sure the community will have lots of thoughts for you [#OTalk](#)

Bill Wong, OTD, OTR/L @BillWongOT

@OTalk haha- as long as it is NOT all this. But, I know different people might have different opinions about the video. [#otalk](#) <https://t.co/xJIOs9FLdF>

Bill Wong, OTD, OTR/L @BillWongOT

All right... let's get started with Q1. Q1. Before watching this talk, how aware are you in terms of OT's role in climate change and sustainability? [#OTalk](#)

#OTalk @OTalk

[#OTalk](#) Question 1.

#OTalk @OTalk

Oh interesting timing for [#OTalk](#)... for later reading...

Bill Wong, OTD, OTR/L @BillWongOT

I know before producing this talk, I wasn't too aware of OT's role in climate change and sustainability. At that time, I just joined a group of OT students and pr the US who are passionate about this issue. I still got a lot to learn at that time. [#OTalk](#)

Bill Wong, OTD, OTR/L @BillWongOT

[#otalk](#)

Helen OTUK @Helen_OTUK

@BillWongOT What got you so 'fired' up about it? [#OTalk](#)

#OTalk @OTalk

Don't forget to include #OTalk in ALL your tweets folks, we don't want to miss any of your thoughts! <https://t.co/FxOSvzBGjj>

Bill Wong, OTD, OTR/L @BillWongOT

@Helen_OTUK The year before, @TEDTalks introduced @TEDCountdown. I wasn't too sure about the TEDx community's buy in on this issue. But when I saw organizers left and right organizing these TEDxCountdown events, peer pressure kicked in, which motivated me to organize an event last yr. #otalk

Bill Wong, OTD, OTR/L @BillWongOT

@Helen_OTUK I still don't consider myself an expert on this issue. My job in producing this talk (as well as any other talks on this issue) was facilitating discussion about climate change and sustainability in ways that we may not have considered before. #otalk

Alexander Scott @ascott_1612

@OTalk_ I have never considered it before, so tonight is going to be really interesting for me #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

Here is Q2- Q2. Before watching this talk, have you ever thought about climate change and potential intersectionality with other issues in the world? #OTalk

#OTalk @OTalk

The power of an #OTalk bringing us topics we may not have considered in terms of our roles?

#OTalk @OTalk

#OTalk Question 2.

Bill Wong, OTD, OTR/L @BillWongOT

@ascott_1612 @OTalk_ When I was in OT school a dozen years or so ago in the US, it was not covered in my uni's curriculum. #otalk

Jon Fisher @fisheraddiction

@ascott_1612 @OTalk_ Yes, entirely novel thought to me. I can think of individual occupations that someone might do to contribute to prevention. Or how environmental impacts influence occupational performance #otalk

Bill Wong, OTD, OTR/L @BillWongOT

@ascott_1612 @OTalk_ and now that I am on the other side as an instructor, I saw an opening when there is a week about occupational justice in the leadership management course that I teach, so I showed this talk to my students for the first time 3 weeks after the talk was published. #otalk

Bill Wong, OTD, OTR/L @BillWongOT

RT @fisheraddiction: @ascott_1612 @OTalk_ Yes, entirely novel thought to me. I can think of individual occupations that someone might do to contribute to prevention. Or how environmental impacts influence occupational performance #otalk

Bill Wong, OTD, OTR/L @BillWongOT

@fisheraddiction @ascott_1612 @OTalk_ Another talk I produced from the same series is about neuroscience and climate change. This idea ended up happening because I got nobody from OT interested to speak at last year's event. <https://t.co/J0i9SIDTfd> #otalk

Helen OTUK @Helen_OTUK

@BillWongOT @ascott_1612 @OTalk_ I wonder how many courses include it now? Have you had this feedback @BillWongOT #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

@Helen_OTUK @ascott_1612 @OTalk_ In the US, I think this number increased since the last decade. I also think some recent movements within AOTA's Representative Assembly (as well as justification from OTPF-4) have helped also. #otalk

Helen OTUK @Helen_OTUK

@BillWongOT @fisheraddiction @ascott_1612 @OTalk_ oh I will take a look later #OTalk another interesting 'sideline' of yours @BillWongOT

Bill Wong, OTD, OTR/L @BillWongOT

@Helen_OTUK @ascott_1612 @OTalk_ I think this talk is still relatively new... so not many academics are aware of it. I think if more academics are aware of it, they can use it as evidence to their students, "The person behind this talk is actually an OT. He is showing you that you can be change agents." #otalk

Bill Wong, OTD, OTR/L @BillWongOT

@Helen_OTUK @fisheraddiction @ascott_1612 @OTalk_ In a little over 3 months, actually I will premiere a talk by an OT about our role in climate change and sustainability. #otalk

Bill Wong, OTD, OTR/L @BillWongOT
Now time for Q3. After watching this talk, what struck you the most? [#OTalk](#)

#OTalk @OTalk_
[#OTalk](#) We are halfway through this evening chat.... get your thoughts and ideas out.... Don't forget the # <https://t.co/SBQs0MTatW>

Helen OTUK @Helen_OTUK
[@BillWongOT](#) [@ascott_1612](#) [@OTalk_](#) Hmm yes, I wonder how the 'academic' side of this will filter through to practice? [#OTalk](#)

Jon Fisher @fisheraddiction
[@BillWongOT](#) [@Helen_OTUK](#) [@ascott_1612](#) [@OTalk_](#) I'll keep an eye out for this :) I'd not considered how it might fall into multiple occupational domains explicitly mentioned in conversation with a service user. I wonder how you could base an entire role around it though? [#otalk](#)

#OTalk @OTalk_
[#OTalk](#) Question 3.

Wendy OT @wendy_foo_
[@BillWongOT](#) climate change has had a big impact on people's occupations, livelihoods and home environments. When I worked in a setting where there was caused by climate change, we were seeing the impact of malnutrition on child development and the impact on whole communities [#otalk](#)

Bill Wong, OTD, OTR/L @BillWongOT
[@ascott_1612](#) [@Helen_OTUK](#) [@OTalk_](#) [@uniofglos](#) I think you should tell your uni instructors about the talks I produced, such as the one we discussed today they will be shocked that I set the bar this high now in regards to producing TEDx talks. [#otalk](#)

Helen OTUK @Helen_OTUK
[@fisheraddiction](#) [@BillWongOT](#) [@ascott_1612](#) [@OTalk_](#) Interesting thought... or how we draw on this across many of our different / existing roles maybe? <#>

Bill Wong, OTD, OTR/L @BillWongOT
[@fisheraddiction](#) [@Helen_OTUK](#) [@ascott_1612](#) [@OTalk_](#) Time will tell. This talk is still at the beginning stages. Probably will get a better idea of what the talk before October. I do know the live premiere will be on November 5 on 8 am to 11 am Pacific time on Zoom. Not sure where this will be sequenced. [#otalk](#)

Jon Fisher @fisheraddiction
[@wendy_foo_](#) [@BillWongOT](#) It's prompting me to think beyond my day to day practice in the UK. There's a whole world out there feeling more acute impact change and its effects on occupation [#otalk](#)

Bill Wong, OTD, OTR/L @BillWongOT
[@Helen_OTUK](#) [@fisheraddiction](#) [@ascott_1612](#) [@OTalk_](#) well- maybe that talk will be another piece of media club content in the future. You all can critique <https://t.co/pwHgQvtVj>

Jon Fisher @fisheraddiction
[@Helen_OTUK](#) [@BillWongOT](#) [@ascott_1612](#) [@OTalk_](#) Or across the life course (as we move forward) perhaps [#otalk](#).

Bill Wong, OTD, OTR/L @BillWongOT
RT [@wendy_foo_](#): [@BillWongOT](#) climate change has had a big impact on people's occupations, livelihoods and home environments. When I worked in a setting where there was famine caused by climate change, we were seeing the impact of malnutrition on child development and the impact on whole communities [#otalk](#)

Bill Wong, OTD, OTR/L @BillWongOT
[#otalk](#)

Helen OTUK @Helen_OTUK
[@wendy_foo_](#) [@BillWongOT](#) yes, I can see how we will see more of this around the world.... [#OTalk](#)

Jon Fisher @fisheraddiction
[@ascott_1612](#) [@OTalk_](#) I guess some of us are modifying our occupations aren't we, voluntarily and involuntarily. [#otalk](#)

Bill Wong, OTD, OTR/L @BillWongOT
Of course, while I am at it, I will do a little introduction of what [@TEDCountdown](#) is. TEDCountdown is a TED initiative to spread awareness of climate change sustainability issues from a variety of perspectives. Prince William was one of its speakers in 2020. [#OTalk](#)

#OTalk @OTalk_ #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

So what I and many other TEDx organizers are doing is to spread other worthy ideas on climate change and sustainability and raise awareness of this issue communities across the globe. #OTalk

Wendy OT @wendy_foo_

@ascott_1612 @BillWongOT @Helen_OTUK @OTalk_ @uniofglos I would be very surprised that it doesn't feature at all! #GreenerAHP and #SocialJustice the new #AHPsDeliver strategy in England. #otalk

Bill Wong, OTD, OTR/L @BillWongOT

RT @wendy_foo_: @ascott_1612 @BillWongOT @Helen_OTUK @OTalk_ @uniofglos I would be very surprised that it doesn't feature at all! #GreenerAHP #SocialJustice are core to the new #AHPsDeliver strategy in England. #otalk

Bill Wong, OTD, OTR/L @BillWongOT

Final question before any honest comments/criticisms about the video. Q4. What are some action steps you will take on climate change and sustainability is

Jon Fisher @fisheraddiction

@ascott_1612 @BillWongOT @Helen_OTUK @OTalk_ @uniofglos Congratulations. Did my final placement st RGI. Best decision I made to return to train a not covered, get it on an OT society agenda? You'll have more freedom on what/ how to cover it? #otalk

Jon Fisher @fisheraddiction

@wendy_foo_ @ascott_1612 @BillWongOT @Helen_OTUK @OTalk_ @uniofglos Well I've learned something this evening :) #otalk

Helen OTUK @Helen_OTUK

@fisheraddiction @ascott_1612 @BillWongOT @OTalk_ @uniofglos Good idea #OTalk

Bill Wong, OTD, OTR/L @BillWongOT

@fisheraddiction @ascott_1612 @Helen_OTUK @OTalk_ @uniofglos In the US, we actually have a growing grassroots group consisted of students (from d institutions) and practitioners meeting once a month on this issue. <https://t.co/nppL6Pz6IG> #otalk

Dr Janice St. John-Matthews (she/her) @jstjohnmatthews

RT @wendy_foo_: @ascott_1612 @BillWongOT @Helen_OTUK @OTalk_ @uniofglos I would be very surprised that it doesn't feature at all! #GreenerAHP #SocialJustice are core to the new #AHPsDeliver strategy in England. #otalk

#OTalk @OTalk_ #OTalk Question 4

#OTalk @OTalk_ #OTalk

#OTalk @OTalk_ Don't forget to include #OTalk in every tweet folks, otherwise peeps will miss your comments and the will not get picked up in the transcript! <https://t.co/akBjv>

#OTalk @OTalk_ #OTalk Only 10 minutes of the 'official' hour left.... What are your final thoughts? Have you any #CPD actions as a follow up to this weeks chat? <https://t.co/cl>

Bill Wong, OTD, OTR/L @BillWongOT

@ascott_1612 @fisheraddiction @Helen_OTUK @OTalk_ @uniofglos @rcot so this group actually is a combination of 2 smaller groups coming together. #c

Bill Wong, OTD, OTR/L @BillWongOT

@OTalk_ And also- time for honest comments/constructive criticism about the video. #otalk

#OTalk @OTalk_ @ascott_1612 @BillWongOT @fisheraddiction @Helen_OTUK @uniofglos @rcot these things are not always lead by the national associations, the membe wider communities are often the catalyst #OTalk

Jen @jen_donelly

@BillWongOT From a research perspective, I think it should be a mandatory that your ethical applications require you to evidence that your work will be as e as possible. #OTalk

Bill Wong, OTD, OTR/L @BillWongOT
@OTalk_ @ascott_1612 @fisheraddiction @Helen_OTUK @uniofglos @rcot yes- that is how the US group I mentioned was formed. #otalk

Bill Wong, OTD, OTR/L @BillWongOT
@fisheraddiction @ascott_1612 @Helen_OTUK @OTalk_ @uniofglos @rcot @theRCOT and I hope what I have done will spark some fire in that, "Bill pulled necessary steps to make this talk happen by himself. We need to learn from his footsteps." #otalk

Helen OTUK @Helen_OTUK
@BillWongOT @fisheraddiction @ascott_1612 @OTalk_ @uniofglos @rcot @theRCOT You have certainly got us thinking Bill! #OTalk

Jon Fisher @fisheraddiction
@BillWongOT @ascott_1612 @Helen_OTUK @OTalk_ @uniofglos @rcot @theRCOT It's in my consciousness now. That's the first step! #otalk

Helen OTUK @Helen_OTUK
and a very important first step! #OTalk

Bill Wong, OTD, OTR/L @BillWongOT
@Helen_OTUK @fisheraddiction @ascott_1612 @OTalk_ @uniofglos @rcot @theRCOT I think if I didn't mention that I produced this talk, OT community w thought that it is just another TEDx talk. But the fact that I took action and followed through should send a loud message. #otalk

#OTalk @OTalk_
#OTalk well it is 9pm here in the UK so the end of the 'official' hour. Do keep chatting and sharing your thoughts, the transcript will not be added to the blog for 24hours, so plenty of time to add your thoughts. Thank you to our host this evening @BillWongOT <https://t.co/sNBWyPTkAA>

#OTalk @OTalk_
and a big thanks as always to the wonderful #OTalk community for your thoughts and input. Always a pleasure to support these important conversations.

Bill Wong, OTD, OTR/L @BillWongOT
@fisheraddiction @ascott_1612 @Helen_OTUK @OTalk_ @uniofglos @rcot @theRCOT This is good! #otalk

RT @wendy_foo_: @BillWongOT climate change has had a big impact on people's occupations, livelihoods and home environments. When I worked in a sea there was famine caused by climate change, we were seeing the impact of malnutrition on child development and the impact on whole communities #otalk

#OTalk @OTalk_
Well after a long and hot day followed by an even hotter topic for #OTalk I think a quick shower and some light reading is in order. Thanks one and all for you evening @Helen_OTUK signing off the account now. <https://t.co/bYvKZDeKy8>

Bill Wong, OTD, OTR/L @BillWongOT
@hoffiOT @OTalk_ @ACRWare One of the points of today's media club is to see if you have any honest comments/constructive criticism of the video you w hoping to get the OT community to be aware that we can be involved in the issue in a way that not many in OT might have imagined. #otalk

Rupert Leslie 🇬🇧 @hoffiOT
@BillWongOT @OTalk_ @ACRWare Thanks Bill. I'll seek out the video and give it a watch #OTalk

Bill Wong, OTD, OTR/L @BillWongOT
@hoffiOT @OTalk_ @ACRWare We haven't had media club since COVID. Today's session is a bit of blast from the past. #otalk <https://t.co/MEIX52RdnL>

Bill Wong, OTD, OTR/L @BillWongOT
@Helen_OTUK @ascott_1612 @OTalk_ This can be used when it comes discussion about occupational justice. Or this can be used when a course is touch role in climate change and sustainability. #otalk

Bill Wong, OTD, OTR/L @BillWongOT
@Helen_OTUK @ascott_1612 @OTalk_ But at a deeper level, I think academics should take a look at this and say to students, "The OT behind this has been brave. He sets a high bar for us on how to amplify voices of folks in our communities by providing them a platform to speak on the issue." #otalk

Bill Wong, OTD, OTR/L @BillWongOT
@Helen_OTUK @ascott_1612 @OTalk_ Of course, this can also be used as material for a community development class. The academic there can say, "This part of a community development project that this OT is responsible for. He applied many things you learned from this program and apply it IRL." #otalk

SaiZaman @SaiZaman1
RT @smileyfacehalo: "The problem with learning styles is that there remains, after almost 40 years, no evidence to support the basic idea" #OTalk <https://t.co/DnXHhzfbfN>
